

Class 1, Class 1 E&E, Class 3 or Q-Endorsed Air Brakes Instructor

This is a part to full time on-site role for a Class 1 Driver, Class 1 E&E, Class 3 & Q Endorsed Air Brakes driving instruction. If you have 2 years Class 1 driving experience or 3 years Class 3 experience and a passion to educate, we can train you! The Driver Instructor will be responsible for providing driving instruction, driver training, and road safety instruction to students of the program. Also, the trainer is expected to work independently, display a professional attitude and contribute to a positive learning environment by demonstrating a willingness to learn and provide helpful feedback to their students.

Qualifications

- Strong experience in driving instruction and truck driving
- Ability to deliver engaging AB Transport MELT training content
- Expertise in road safety practices and regulations
- Excellent communication and interpersonal skills
- Valid Class 1 driver's license required
- A minimum of 2 years of Class 1 driving experience (required)
- Professional attitude and demeanor, with a strong work ethic and commitment to a positive student experience
- Must provide a current driving abstract and criminal record check. (Successful candidates will be reimbursed fees for above checks)

An ideal candidate would currently hold their Alberta Class 1 MELT Instructor license.

Potential candidates with a Class 1 license or out of province Class 1 Instructor license & desired personality and skills can be trained internally.

Company Description
